MEMORANDUM FOR THE RECORD

SUBJECT: Luncheon Meeting with [ ] at Rive Gauche  
1 June 1960.

1. I brought up the subject of EICHMANN and told [ ] that we had uncovered some very interesting documents on EICHMANN's activities which, I felt sure, would be of interest to [ ]. [ ] said that he had received a letter from [ ] instructing him to tell Hal that EICHMANN's capture had been a combined [ ] operation [ ] that [ ] was all smiles and receiving all around congratulations. He then asked me if I had seen an article in the New York Herald Tribune which was the result of their correspondents' interview with a tall graying man and a short black-haired man [ ] whose names the correspondent could not divulge. The article summarizes the organization of the Israeli services. I admitted that I had not seen it and [ ] agreed to give me the date of the paper. [ ] then expressed the opinion that he personally thought it was wrong to make a big case of EICHMANN; that they would, in such an event, be using their precious assets which would be better spent on the present-day enemy--the Communists. He stated that much divided opinion exists among both Jews and Gentiles, and cited Dr. Israel GOLDSTEIN who came out against it because in the process so much dirt would be dug up that it might even generate more anti-semitism. [ ] mentioned that BEN-GURION had just received a telegram from ROCKWELL, the Virginia anti-semitic who denounced him for the illegal capture of EICHMANN and said that he was now free to pursue his anti-semitic efforts. [ ] wondered if we had anything on this latest episode.
